Your library offers hundreds of free events and classes. Find them at www.multcolib.org/events.

The Mudeye Puppet Company presents a brand new summer fun combination: puppet show and workshop!

Meet Dr. Partz, who makes dragons out of discs, princesses out of plastic and robots from recycled cardboard. You get an environmentally informative tour of his puppet-making lab, and he will show you how to bring your own creations to life with all salvaged materials. Every lab assistant (participant) walks out a certified puppet-maker with the puppet to prove it.
