*School Corps bibliographies, updated annually, are limited to 30 items. To find additional items on this topic, go to the online library catalog (<http://catalog.multicolib.org>) and More Search Options. Then choose Subject from the box on the right, and at the next screen, type in the words [GENETICS JUVENILE LITERATURE](#). Instead of [GENETICS](#), you can also type more specific words such as [DNA](#) or [CLONING](#). Leave off the words [JUVENILE LITERATURE](#) if you'd like a list of books for adults.*
