## Take the Mummy and Run: The Riot Brothers Are on a Roll

**Amato** j AMATO 2009

Orville and Wilbur Riot are back in this hilarious fourth book of the Riot Brothers adventures. Whether hunting for lost mummies or creating their own water park, there's never a dull moment.

## Jasper Dash and the Flame-Pits of Delaware

**Anderson** j ANDERSON 2009

Boy Technonaut, Jasper Dash, and his friends Lily Gefelty and Katie Mulligan travel into the mist-shrouded heart of the forbidden mountainous realm of Delaware to try and unravel a terrible mystery.

## Mermaid Queen: The Spectacular True Story of Annette Kellerman, Who Swam Her Way to Fame, Fortune & Swimsuit History!

**Corey** j797.21092 K29c 2009

Beginning Facts  
With courage and determination, Annette confronted a crippling illness to become an internationally known record-setting athlete who revolutionized the sport of swimming for women.

## Flush

**Hiaasen** j HIAASEN

With their father jailed for sinking a river boat, Noah Underwood and his younger sister, Abbey, must gather evidence that the owner of this floating casino is emptying his bilge tanks into the protected waters around their Florida Keys home.

## Our World of Water: Children and Water Around the World

**Hollyer** j363.61 H7460 2009

This book follows the daily lives of children in Peru, Mauritania, the United States, Bangladesh, Ethiopia, and Tajikistan, and explores what water means to them.

## Bathtub Science

**Levine** j507.8 L665ba 2000

Those who have been asked how to make a wave machine will find the answer here, along with myriad other water experiments ranging from a raucous Burping Bottle to a serene garden of paper posies that open their petals as they absorb water.

## Awesome Ocean Science

**Littlefield** j551.46 L779a 2003

Children dive into ocean science as they blast black smoke out of a seafloor chimney, shrink-wrap their hand with water pressure; demonstrate bioluminescence; and recreate El Niño in the kitchen.

## Song of the Water Boatman and Other Pond Poems

**Sidman** j811.5 S568s 2005

Beginning Facts  
This collection of poems provides a look at some of the animals, insects and plants that are found in ponds, with accompanying information about each.

## Mysteries of Water Monsters

**Walker** j001.944 W181mw 2009

For centuries, sailors have told tales of sea monsters and serpents that have attacked their ships. Many stories tell of giant squids with their tentacles wrapped around the trapped vessels. What is the truth behind these tales?

## Pharaoh's Boat

**Weitzman** j932.012 W436p 2009

Weitzman tells the story of how one of the greatest boats of ancient Egypt came to be built—and built again.

## Did a Dinosaur Drink This Water?

**Wells** j551.48 W455d 2006

Beginning Facts  
It's hard to imagine—the molecules in the glass of water you just finished might have once been part of a water hole that dinosaurs drank from! In this fascinating new book about the water cycle, readers will find that while it might be hard to imagine, it's true.
